Since 1994, more than 6,200 Vermont residents have served approximately 9.3 million hours and earned education awards totaling more than $23.0 million.

Notes: With the exception of the Current Participants column, data shown represents national service activity completed between January 18, 2022 and January 17, 2023. 1. Projects operate in communities throughout the state. The Service Location report contains a listing of all locations with national service. 2. The service location total may contain multiple counts of unique locations where multiple AmeriCorps projects operated. For AmeriCorps Seniors projects where 2022 service location data is unavailable, service locations associated with the project from the previous year are represented or are listed with no service locations. Projects may be headquartered in other states. 3. Completed participants reflects all AmeriCorps members who completed service in Vermont between January 18, 2022 and January 17, 2023. For AmeriCorps Seniors, this reflects all volunteers funded by grants completed during that same period. 4. The Education Awards figures represent the maximum potential value of Segal AmeriCorps Education Awards that could be earned by AmeriCorps members who completed service in Vermont. 5. AmeriCorps State and National, Foster Grandparent, and Senior Companion federal funding reflects the estimated proportionate annual share of the federal grant associated with the participants in this report. This includes any awarded federal American Rescue Plan funding except match replacement. AmeriCorps State and National placeholder grants have been excluded from this report. For AmeriCorps VISTA, funding reflects the national average cost per participant. RSVP funding appears in the state where the project is based and reflects the full amount awarded to operate the completed grant. 6. Current participants reflects national service participants serving in Vermont as of January 17, 2023. These participants are not included in the federal funding and education award numbers in this report. 7. Total local project support reflects non-AmeriCorps cash and in-kind resources that AmeriCorps grantees committed to raise in support of their completed grants. This includes any awarded federal American Rescue Plan match replacement funding.
